Call to Order

(Ordinarily, we would approve the minutes of the prior meeting immediately following the Call to Order. However, in this instance the minutes of that meeting were approved by the prior board.)

Reports from officers:

- President – Lois
- President-elect – Rachel
- Past president – Evalyn
- Secretary – Cathy
- Treasurer – Todd
- EFC liaison – ???

Standing committee reports:

Program Planning, Membership, THE GRAY HAWK, etc.

(Please read the reports from officers and committee chairs included in your board packet. In order to save time for new business and any items that require extended discussion, officers and committee chairs will not be asked to reiterate their reports during board meetings. They will, of course, be invited to highlight anything of particular importance and to answer any questions from board members.)

Old business:

30th Anniversary celebration (Evalyn)

New business:

- EFC liaison for 2025-26
- Recent health insurance changes – what should our role be, if any, in helping to inform retirees of proposed or pending changes? Should we seek to have a liaison with the FRIC? Are there other university committees that deal with issues of particular interest to retirees?
- Use of TEAMS for UIRA documents – training?

- Age-friendly University movement - individual and group survey responses sought. (See attached links to survey.) Ad hoc sub-committee to prepare a UIRA group response?
- Outreach to new/introductory members - reception or other event? (Cindy)
- Increasing membership and board participation of all employment categories - outreach to unions?
- Venturing outside Iowa City - proposal to arrange an outing to Ballet Des Moines and other attractions in the spring. (Jean)
