A MESSAGE FROM YOUR NEW PRESIDENT

The summer is fast drawing to an end, but it brings our fifth season, the best time of the year in our area; early fall also happily starts football season. Along with all this, I look forward to serving the coming academic year as UIRA President.

First, a brief biographical sketch: I was born and raised in the Northwest. My bachelor's degree was from the University of Washington, my dental degree from the University of Oregon. After two years in the military, I completed my graduate and post-graduate at the University of Illinois. I taught at Illinois, University of Connecticut, and Medical College of Georgia. I've had 30 great years here, taking the position of department Chair at the College of Dentistry in 1983.

I am pleased and excited to be President of the UIRA. I follow a succession of effective Presidents; and I intend to be involved and innovative. Assisting me is a talented and active Board which supports our organization. A most interesting series of programs has been planned and scheduled. There will be negotiations on the possibility of combining or incorporating the Emeritus Faculty Council with the UIRA. Our website will be expanded and improved. Special interest groups are under consideration. We are investigating ways to increase our visibility within the University of Iowa community.

Your input is always welcome. Please contact me or other UIRA Board members if you have questions or ideas.

Rick Walton, President UIRA

3-D printing September 19th and 24th at Ginsberg to launch new UIRA Programs

An introduction to the cutting-edge technology of 3-D printing will kick off UIRA's monthly programming for the year. The program will take place at M. C. Ginsberg Jewelers, 110 East Washington in downtown Iowa City. To accommodate the expected interest among retirees, two sessions on different dates have been arranged: Thursday, Sept. 19th at 10:30 a.m., and Tuesday, Sept. 24th at 1:30 p.m. Reservations are not necessary, and each session will last about one hour. Sessions will be led by Mark Ginsberg, owner of M.C. Ginsberg Objects of Art.

Be aware that seating space is limited. There is no elevator and part of the program will be upstairs, where the 3-D printers are located. Ginsberg will discuss and demonstrate the capabilities of 3-D printing. He has worked with UI physicians in otolaryngology, neurology, orthopedics and cardiac surgery. For example, Dr. Joseph Turek was able to closely observe the rendering of a heart and plan his pediatric surgery more effectively.

**U of Iowa
Gerontology
Lecture
September
10th and
11th**

Members of UIRA may be interested in public presentations Sept. 10 and 11 by Dr. Claudia Beverly, director of the Hartford Center of Geriatric Nursing Excellence at the University of Arkansas for Medical Sciences (UAMS) College of Nursing.

A recognized expert on gerontological policy, Dr. Beverly has dedicated her career to ensuring that all older adults receive the highest quality health care. She will be visiting the Iowa City area as part of the University of Iowa's Ida Cordelia Beam Visiting Professorships Program.

Dr. Beverly will be making two public presentations in the area:

- Tuesday, Sept. 10 at 6:30 p.m., at the Coralville Public Library
- Wednesday, Sept. 11 at 3 p.m., at the UI's College of Public Health Building (Room 202).

Dr. Beverly has successfully implemented policies to ensure that quality elder care is easily accessible throughout her home state of Arkansas. She will be discussing the challenges in providing care to the growing number of elders in Iowa, and how applying the "Arkansas experience" could benefit Iowans.

Persons with a disability who require an accommodation to attend these events may contact Bonnie Kinkead, UI College of Nursing, at bonnie-kinkead@uiowa.edu or 319-335-7084.

Memory Study Offered

Family Care at UIHC is inviting individuals concerned about their memory to participate in a Memory Study. Individuals must be age 55 or older and not have a diagnosis of Alzheimer's, Parkinson's, or alcohol use that would explain their memory issues. Compensation is available. Contact Jeanette-Daly@healthcare.uiowa.edu

Jeanette Daly, RN, PhD, at Family Care at 1-866-890-5963.

Daedalus Quartet Presents a Special Program November 14th

The highly-acclaimed Daedalus Quartet will present a special program for UIRA November 14 (Thursday) from 3-4 p.m. at the University Capitol Centre (UCC) Recital Hall. In a program focusing on music from exile, the group will discuss and play examples from quartets by Schulhoff, Weinberg and Korngold, composers who had harrowing experiences as a result of the cultural policies of the Third Reich. The quartet will be in Iowa City on an extended visit in the UI's String Quartet Residency Program. More information about the group is available at: www.daedalusquartet.com/index.php

Williams and Starck Represent UI at Big 10 Meeting; See Photo Report

Nancy Williams, immediate past-president of UIRA, and Ken Starck, president-elect of UIRA, represented University of Iowa retirees at the 22nd annual Big 10 Retirees Association Conference Aug. 9-11, 2013, at the University of Michigan, Ann Arbor. Starck was also representing the UI Emeritus Faculty Council. For a report of the conference, go to: uira.shutterfly.com/pictures/ The site, featuring photos by Starck, also has been posted at the Big 10 Association website: hr.umich.edu/umra/big10/.
