

*Gray Hawk Newsletter*

2013-2014 Report

For 24 April 2014 Annual Business Meeting

*The Gray Hawk Newsletter* publishes 9 issues per year, combining November and December and taking July and August off. *The Gray Hawk* includes information about UIRA activities and programs, and sometimes other information we think will be useful to our members. The issues are sent out as attachments via our listserv and posted on our website. We have been sending out just over 200 paper copies by bulk U. S. Mail but the Board has voted to start sending out only electronic copies via e-mail attachments starting with the September issue. There is also a plan for a new format starting with the September issue, to include images, for example.

The current 3-year term as Editor of the *Gray Hawk Newsletter* ends with the June 2014 issue.

I've enjoyed working on the *Gray Hawk*, with good training from Dwight Jensen, our previous editor. I thank the UIRA membership for many positive comments about the *Gray Hawk*, and thanks to the UIRA Board for their assistance and support. Ken Starck, as a retired Professor of Journalism, has been especially helpful.

E. Ann Ford, Editor of the *Gray Hawk Newsletter*
