UIRA Nominating Committee Report for 2019

We were tasked with finding candidates for vacancies on the UIRA Board of Directors. The following vacancies needed to be filled:

President Elect (Should be Faculty)

Treasurer (Replacing Kris Canfield)

At-Large Board Member (Currently Lois Lembke)

At-Large Board Member (Currently Chuck Dayton)

The following people have agreed to fill the positions indicated:

President Elect: Sam Cochran

Treasurer: Judy Barkalow

Member at Large: Lois Lembke

Member at Large: Chuck Dayton

Lois will have a full term as a board member and Chuck will have his second full term.

I appreciate so much the efforts of everyone on the committee, Alice Atkinson, Michael Barron, Jamie Sharp, and Larry Wilson. Everyone contributed good choices for being nominated to the board and made contacts and tried their best to convince people to accept the nominations. We also appreciated so much the efforts of Sue Otto who did an excellent job and without whose help we might be still looking for a president-elect. I think it was very helpful to have a member of the current board on this committee as well. In this case it was Michael Barron and he helped in so many ways.
