

REPORT OF THE UIRA PROGRAM COMMITTEE 2012-1013

First, I acknowledge the committee members: Nancy Lynch, John Menninger, Kathie Belgum, and Judy Biderman. Our President, Nancy Williams pitched in and helped in the selection by coordinating one of the programs. Overall, Nancy helped me considerably with the organization of the Program Committee's activities.

The monthly programs are obviously a key activity of the UIRA and serve as a focal point.

The Committee brainstormed and designed a series of very interesting, relevant and generally well-attended programs. As I dove into this, I became very aware of the depth and breadth of talent in our region and particularly, at the University of Iowa.

The committee members also helped with this Annual Meeting by performing various chores.

It has been my pleasure to serve as your President-Elect and Chair of the Program Committee.

Respectfully submitted, Rick Walton
