

THE UNIVERSITY OF IOWA SENIOR COLLEGE

The University of Iowa Senior College is going green! In an effort to save trees (and to facilitate an orderly registration process), the Senior College has gone electronic! All registration materials can be found online (in a timely manner) at **foriowa.org/senior-college**.

For years, the UI Alumni Association managed our Senior College registration and other administrative functions (printing and mailing the 7000 brochures, for instance). Since they merged with the University of Iowa Foundation, the new organization – the UI Center for Advancement – continues to provide our administrative support.

Do you have a topic or instructor in mind for a future Senior College course? Just let one of the Committee members know and we'll check it out!

If you find you cannot attend a course you registered for, let us know! If you cancel before the registration deadline (usually one week before the course begins), we'll happily refund your money and offer your seat to someone on the waiting list.

Your Senior College committee:
